Re: Hazardous Waste Export Annual Report - 2012

Clean Harbors Environmental Services, Inc.
32 Bask Road
Glenmont, NY 12077
EPA ID No. NYD986871622

Dear Sir or Madam:

Pursuant to 40 CFR 262.56, Clean Harbors Environmental Services, Inc. (CHESI) is pleased to submit the enclosed report summarizing the above referenced facility's 2012 hazardous waste exports. During 2012, CHESI exported hazardous wastes to the following facilities under the respective Acknowledgements of Consent (AOCs):

<u>Destination Facility</u>	<u>Location</u>	<u>AOC No.</u>
Clean Harbors Canada, Inc.	Corunna, Ontario	003620/10E/11
		003628/10E/11

Please note that in instances where a waste stream is listed in the report as having a specific number, such as "3", this number represents the waste stream number in the applicable Acknowledgement of Consent.

The report does not reference any universal wastes because CHESI did not export any universal wastes during 2011.

CHESI is dedicated to the reduction and elimination of waste wherever practical. In the case of the wastes that CHESI exported during 2012, however, CHESI was not the actual generator. CHESI acted as the primary exporter on behalf of Clean Harbors' clients and also conducted truck-to-truck transfer activities to ensure the most efficient routing of wastes to the final disposal and/or recycling facilities. As such, techniques to reduce the volume and/or the toxicity of the wastes are not practical.
